message	BIOCA (formerly JCP) started in 1996 as a company specializing in "organic and organic foods" ahead of other companies. Currently, as a manufacturer specializing in organic JAS certified foods, we are developing trusted brands nationwide. In the food market, where safe and secure foods are required more and more worldwide, we will continue to make further efforts to deliver our products to as many people as possible. In the future, we would like to further develop products using local organic ingredients that are particular about Nagano.
