Local distributor			
Selling point	Perfect for wine, beer and other alcoholic beverages. You can taste the deep flavor that you can't think of as 100% vegetables. At our own farm in Aoki Village, Shinshu, which is rich in nature, freshly picked kale is dried at low temperature while it is fresh. We are particular about safe ingredients and do not use chemical seasonings or synthetic preservatives. We also have products with different tastes such as barbecue and orange cacao.		
Expected use	Retail(high-end)		
Description	Freshly picked kale chips that have been dried at low temperature while still fresh.
