Selling point	Beautiful, sincere and exciting lacquer glass.In a place where the tradition of making Kiso lacquerware lives on, we develop new tableware. A luster that combines gorgeousness and calmness ... Colors that embody Japanese aesthetics ... Feels like your skin is sucked in ... By combining the rich charm of varnish with cool and transparent glass, we have created a brand new lacquered vessel that has never been seen before. The "Tsubomi" series is a container reminiscent of flower buds. The hand-made various lines stimulate your external touch, and the internal colors stimulate your visual sense.
